Location Overview

General Area Overview

Located in southeast Winnipeg, Southdale/Sage Creek are well-established neighborhoods with a population of 12,807. These areas are known as one of the most affluent and desirable residential areas of Winnipeg with an average house income of \$139,708 which is forecasted to grow to \$176,797 by 2030. The community of Southdale/Sage Creek is vibrant, family friendly, and multi-cultural appealing to families, recent immigration, empty nesters, and young professionals.

The location offers easy connection to the city and downtown, proximity to major intersections and connector routes, plus a direct conduit out of the city via the nearby perimeter. With direct access to Bishop Grandin Boulevard, the Property is linked to the West to the St. Vital retail node, Waverley West and Kenaston Boulevard as well as to the north quadrant of the city via Lagimodiere Boulevard. The property benefits from these direct connections to prominent growth nodes, affluent neighborhoods, and established population bases.
