70 Heated Underground Parking Stalls  
(1 Stall/1,201 sq. ft.)

35 new residential suites (*Office to Residential redevelopment completed in 2023*)

Professionally managed by Capital Property Management

Connection to downtown Skywalk system and various amenities

2 Passenger Elevators to Tower +  
One Elevator to Parkade, Main & 2nd Levels

Attached to the downtown Skywalk system

# Premium Location

185  
Carlton

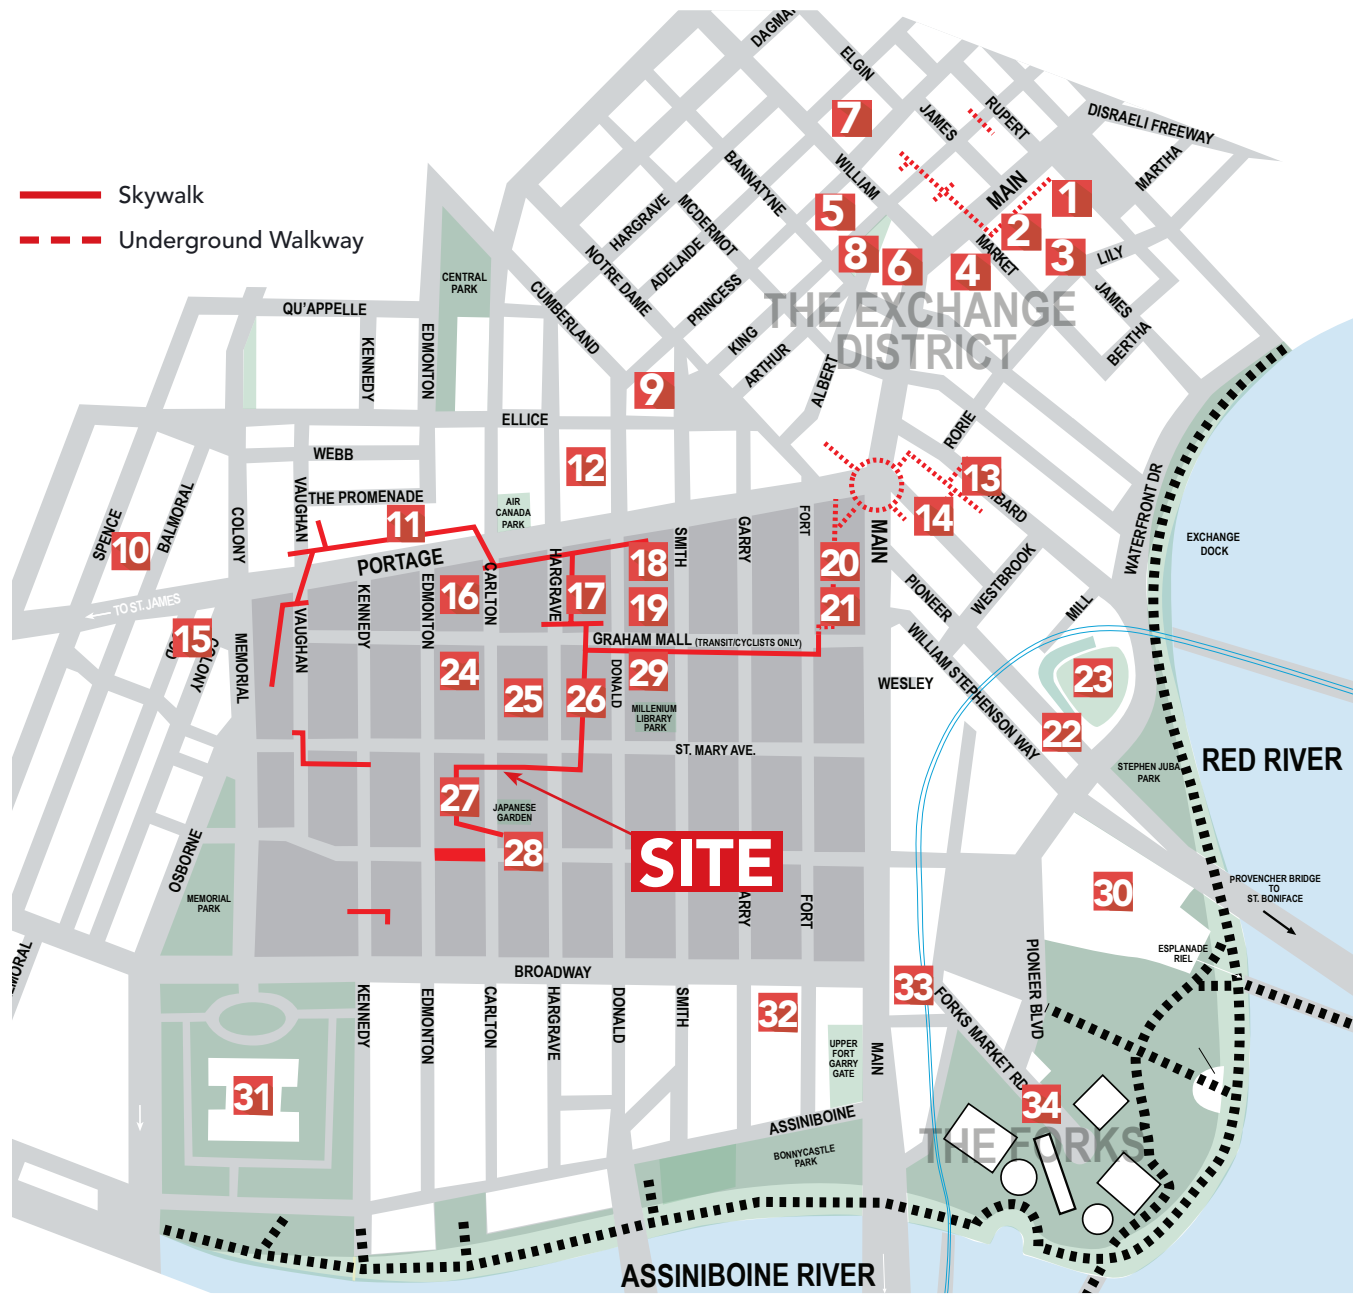

- Strategically located in the heart of Downtown Winnipeg's SHED
- Direct connection to the downtown's climate-controlled skywalk and concourse systems
- Indoor connection to key area highlights including RBC Convention Centre, Delta Winnipeg, True North Square and City Place
- Located close to most of the development activity in downtown Winnipeg
- Generous underground and surface parking in the immediate area
- Located on major traffic arteries
- Well-served by Winnipeg Transit

# Strategically Located in the SHED

Winnipeg's eleven block Sports, Hospitality and Entertainment District has been under continuous development since 2004 when Canada Life Place was completed. The SHED is now a focal point for the City's core and has created a prime commercial, social and cultural hub for downtown Winnipeg. It is strategically located directly between Canada Life Place and the RBC Convention Centre and is immediately adjacent to Winnipeg's rapid transit mall and at the crossroads of Winnipeg's weather protected Skywalk system which connects to Delta Winnipeg Hotel to other entertainment venues, restaurants and hotels throughout downtown Winnipeg.

# Area Amenities

29. Millennium Library
30. Canadian Museum for Human Rights
31. Manitoba Legislative Building
32. Fort Garry Hotel
33. Union Station
34. The Forks

# The Winnipeg Skywalk

The Winnipeg Walkway system, also known as the Winnipeg Skywalk, is a system of elevated and underground pedestrian walkways that connect the majority of downtown Winnipeg. Composed of 14 skywalks and 7 tunnels, the Winnipeg Walkway connects a total of 38 buildings throughout downtown Winnipeg allowing for roughly two kilometres of protected walking space. The system provides year-round climate-controlled access to over 170,000 sq. m. of space, 10 office towers, and more than 200 shops and businesses. Outdoor entrances to the Winnipeg Walkway can be found at various points along the walkways route.

This system allows pedestrians coming from 185 Carlton to access most key elements of Downtown including Portage & Main, Canada Life Centre, and True North Square without ever having to go outside.

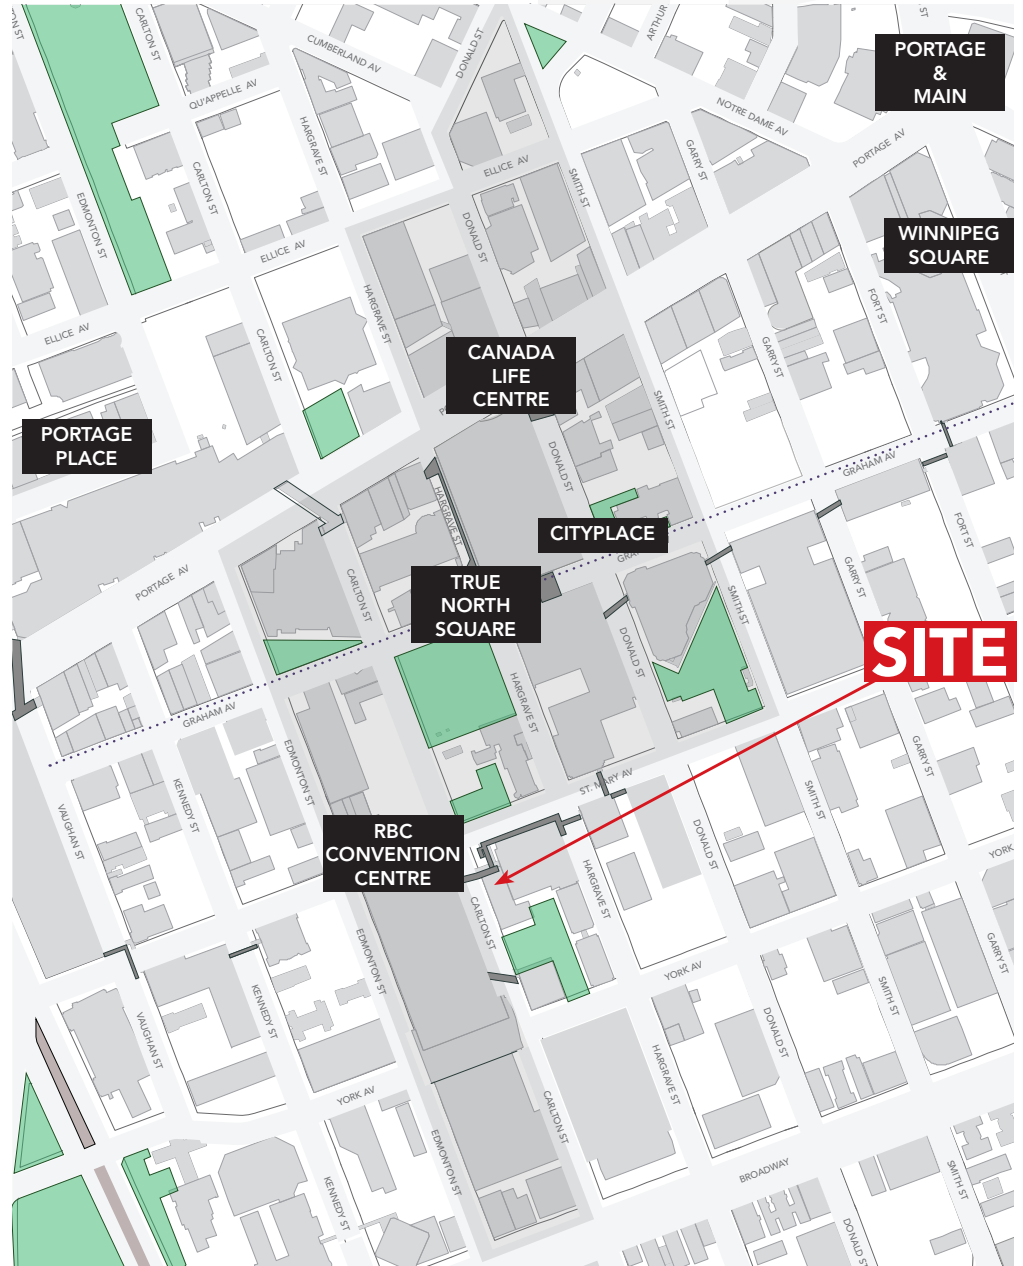

# Accessibility & Transportation

175-185 Carlton's location offers high accessibility to all areas of the city via public transit and the Graham Avenue Transit Mall as well as its accessibility to other major thoroughfares.

The Graham Avenue Transit Mall is a 9-block transit mall located in downtown Winnipeg that is mostly reserved for Winnipeg Transit buses, cyclists, and pedestrians. The Graham Mall was completed in 1995 and connects many major downtown businesses and amenities including The Properties, Canada Life Centre, True North Square, Winnipeg Square, Manitoba Hydro, Cityplace, Winnipeg Police Headquarters and the Royal Winnipeg Ballet. The transit mall is serviced by 19 bus routes and features highway-grade concrete roads and cobblestone break at all intersections. About 1,700 buses operate on the Graham Mall each weekday. Since completion of the project, passengers have benefited from dramatic improvements in schedule reliability, faster bus running times as the higher transit speeds.

The Properties are easily accessible to other major north-south thoroughfares, via route 62 and 42 including Osborne, Memorial and Donald Streets, major arterial routes connecting Winnipeg's south end to the north end of the City. In addition, the Properties benefit from their proximity to Portage Avenue (Winnipeg's route 85). Portage Avenue is a major arterial route in the City of Winnipeg and is one of the city's oldest and most important roads. This artery connects the city to both the Trans-Canada and Yellowhead Highways.
